Public Comments:

- Dr. Richard Unger – in regards to multiple emails about missing dogs, was concerned there was a “dog napping” issued in Meggett. Council responded, there are no cases of dog napping/stealing in Meggett. Most often, the emails notifying residents of missing dogs are cases where a pet has gotten out; however, recently there was a case, due to a fence in need of repairs, that allowed multiple dogs to get out in the same day.

Meeting concluded at 7:11pm.
