Ordinance 2015-01: 2015-2016 Fiscal Year Budget :

During a workshop prior to the council meeting Mayor Herrington reviewed the proposed 2015-2016 Budget with council. Proposed revenue was accepted as written. There were two changes on the proposed expense sheet; \$2520 was moved from line 44, Roxbury Other Expenses, to line 37, Salary Caretaker Roxbury.

Mayor Herrington asked for a proposal to accept this proposed budget with the changes as the First Reading of the 2015-2016 Fiscal Year Budget. Council Member Tom Hutto made the motion which was seconded by Council Member Angela Watts. All approved.

Public Comments:

Mayor Herrington opened the floor for public comments. Resident Davis Ellis stated that he felt that Mayor and council had done a good job of presenting and explaining the budget in the workshop and meeting. With no other comments the meeting was adjourned.
